

The Leadership Development Showcase: A Modular Approach to Excelling as a Leader

Best-to-Build Leadership Skills Presented in a Special Collaboration
with MAXIMUS Higher Education

Your leadership skills — and how you develop, manage and motivate your team — can have a direct impact on your ability to take your career to the next level.

That's why CTAT in collaboration with the MAXIMUS Higher Education Practice, is excited to present the Leadership Development Showcase — a 1½-day workshop designed to give you a taste of the very best-to-build leadership skills in a empowering and stimulating environment. The workshop focuses on five key modules:

- **Module 1: How to Effectively Develop your Leaders and Teams.** Explore components of change for leadership and team development, begin to examine personal strengths and challenges, and focus on behaviors to support change.
- **Module 2: Assessing Strengths to Create a High Performance Team.** Learn the power of utilizing strengths for you individually and for your teams.
- **Module 3: Raising the Bar to Achieve Maximum Team Effectiveness and Results.** Learn a process to effectively and proactively work with your teams to maximize their effectiveness and support achievement of results.
- **Module 4: Effective Tools to Coach Your Team.** Explore the leadership mindset as well as how to move your team from functional to highly functional. We will discuss technical skills, emotional intelligence, coaching to “raise the bar,” and coaching tools.

- **Module 5: Managing a Multi-Generational Workforce.** Understand and discuss the differences between the four generations and the application to your work. You will become aware of the generational preferences and styles each generation brings to the workplace.

Workshop prices are \$295 early bird, \$325 regular, and \$350 on site. For MAXIMUS employees only: 20% discount: \$236 early bird, \$260 regular and \$280 on site. 9 CPE credits available.
