

BRAIN INJURY HOPE FOUNDATION

Dine & Donate

Supporting the emergency needs of people with Traumatic Brain Injury

Dine from October 18—October 28, 2018 to support people with Traumatic Brain Injury! Four restaurants around the Front Range have generously agreed to support the Brain Injury Hope Foundation (BIHF) Mission by donating a portion of sales for an evening. See the details for a restaurant near you, take the family out for a nice meal and support our cause!

Remember to mention you are dining (or taking out) for BIHF!
